## Responses to a Strong (15-17) NT.

**2** • - Stayman – when you have one (or two) 4 card majors.

4 card Major

You usually need invitational values to bid Stayman – so 8+ points So after 1NT, 2♣ promises a 4 card major and asks opener to bid a 4 card major

After 1NT - 2 
$$=$$
 - 2  $=$  = no 4 card major  $2 =$  4 's (possibly also 4 's)  $2 =$  4 's (denies 4 's)

When opener has replied to Stayman, responder either bids game or invites, examples: -

1NT - 
$$2 - 2 - 2 - 2$$
NT = 8 pts, invitational  
1NT -  $2 - 2 - 2 - 3 - 2$  = 8 pts, invitational (4  $\checkmark$ 's)  
1NT -  $2 - 2 - 2$  - 2NT = 8 pts, invitational (4  $\checkmark$ 's)  
1NT -  $2 - 2 - 2$  - 3NT = 9+ pts  
1NT -  $2 - 2 - 2$  - 4 $\checkmark$  = 9+ pts, (4  $\checkmark$ 's)  
1NT -  $2 - 2 - 2$  - 3NT = 9+ pts, (4  $\checkmark$ 's)  
1NT -  $2 - 2 - 2$  - 4 $\checkmark$  = 16+pts, asks for aces

## 2 ♦ / ♥ - Transfer – when you have a 5 card major.

5 card Major

You can transfer on any strength (even no points)

After 1NT,  $2 \spadesuit$  shows  $5 \heartsuit$ 's and  $2 \heartsuit$  shows  $5 \spadesuit$ 's. Opener must complete the transfer (even if he has just a doubleton) and responder continues as follows: -

```
With 0-7 points, pass
With 8 points, invite
With 9+ points, force to game
With 16+ points, look for slam

Examples: -

1NT - 2 \blacklozenge - 2 \blacktriangledown - pass = 0-7 \text{ pts}, 5+ \blacktriangledown \text{ 's}

1NT - 2 \blacklozenge - 2 \blacktriangledown - 2NT = 8 \text{ pts}, invitational } 5 \blacktriangledown \text{ 's}

1NT - 2 \spadesuit - 2 \blacktriangledown - 3 \blacktriangledown = 8 \text{ pts}, invitational}, 6+ \blacktriangledown \text{ 's}

1NT - 2 \spadesuit - 2 \blacktriangledown - 3NT = 9+ \text{ pts}, 5 \blacktriangledown \text{ 's}, \text{ opener to pass or bid } 4 \blacktriangledown

1NT - 2 \spadesuit - 2 \blacktriangledown - 4 \blacktriangledown = 9+ \text{ pts}, 6+ \blacktriangledown \text{ 's}, \text{ opener must pass}

1NT - 2 \spadesuit - 2 \blacktriangledown - 3 \clubsuit = 9+ \text{ pts}, \text{ game forcing}, 5+ \blacktriangledown \text{ 's} \text{ and } 4+ \clubsuit \text{ 's}
```

1NT - 2 - 2 - 4 = 16 + pts, asking for aces

**2NT (invitational) and 3NT** – when you have no 4 or 5 card major. **No Major** 

With a 4 card major you bid Stayman. With a 5 card major you transfer. With neither but an invitational hand (8-9 pts) you bid 2NT and with 10-15 pts you bid 3NT. Note that a 2NT or 3NT bid may well contain a 5 card minor.

There is a variation of Stayman (Garbage Stayman) where it is possible to bid Stayman with less than invitational values. This is covered in more advanced sections.
