

Championship Results - 2005

The final results for the Club Championships are below. Only scores above 53% count and only results from competitions with 4 or more tables.

Gold Cup = best 30 results: This is the main club championship, with awards for 1st, 2nd and 3rd places. Just to make it absolutely clear to everybody, finishing 2nd or 3rd in this Gold Cup competition is considered a better achievement than winning either of the following two events (which are included basically for less frequent players). Hence a player (who say) is placed 2nd or 3rd in the Gold cup is not eligible for the lesser competitions: -

Silver Plate = best 10 results (winner not eligible for bronze medallion).

Bronze Medallion = best 5 results.

If a player is placed 1st, 2nd or 3rd in the Gold Cup then he is not eligible for the Silver plate or Bronze Medallion competitions; likewise, the winner of the Silver Plate is not eligible for the Bronze Medallion.

There is no special prize for it (other than a rousing cheer) but the highest % scored in the year was 75.3% by Chuck in harness with Paul Kelly.

A total of 11 members achieved 30 or more results over 53%, so the final placing in the **Gold Cup**: -
